

Sunscreen Permission Form

Child's Name: _____

I give permission for the staff of Ja'Duke Preschool to apply sunscreen to my child as needed throughout the school day.

Ja'Duke will provide water babies sunscreen. I understand that if I would like a different type of sunscreen that I must supply the sunscreen and label it with my child's name. All sunscreen provided from home must be in a spray bottle per state requirements.

Parent's Signature

Date

*This form will expire one year from date signed.
